

Points Race No.2.

Sunday 21st May 2017.

Start Time 13.30.00.

The course for this race was a simple outward and return using the Wolves Buoy as the turning mark. At the start in Jacksons Bay there was a very light SE/South breeze under glorious sunshine.

Ripple pulled slowly ahead of *Lesmar* in the light conditions and remained there all the way to the Wolves Buoy. Both boats were being pushed to the east on starboard tack by the flood and had tack in order to round the buoy to port.

Ripple was still ahead after rounding and steered well inshore in order to get the benefit of early ebb. *Lesmar* steered well out from the land to a position from which she could use her spinnaker on a reach as the breeze had now swung towards the SW.

Ripple crossed the finish line in Jacksons Bay still in the lead.

Boat Name	PY H/cap	Finish time	Elapsed time	Corrected time	Place
Ripple	1075	15:19:10	1:49:10	1:41:33	1
Lesmar II	1116	15:53:00	2:23:00	2:08:08	2
